## Garages and parking

### Our Commitment

Sentinel Housing Association is committed to offering a choice of services to our customers wherever we can.

### Garages

If parking is limited in your neighbourhood you may prefer to rent a garage. We have a number available in most neighbourhoods. Some areas are very popular and we may have to put your name on a waiting list. If you would like to rent a garage please complete the application form overleaf and return it to the Garage Co-ordinator.

#### If you rent a garage, you have the following responsibilities:

- You must only use the garage for your own private use
- You must not sub-let the garage or transfer it to someone else at any time
- You must not make any structural alterations to the garage and must keep it in good order
- You must keep the garage unobstructed and keep the surrounding areas clear at all times
- You must not store any dangerous or flammable materials in the garage
- You must only use the garage to house a motor vehicle or for storage and not for any other purposes
- You must not use it for a trade or business
- You must not cause a nuisance to other residents in the area
- You should not carry out vehicle repairs in the garage or in the surrounding area
- You are responsible for any damage to the garage and surrounding areas caused by your neglect or carelessness, or that of your family or visitors
- You must allow us to come into the garage to inspect it or carry out any necessary repairs

Sentinel will not accept any responsibility for any damage or loss from the garage or surrounding areas. You can end a garage tenancy by giving one weeks notice in writing, starting on a Monday. You must then return the keys to our offices no later than the last day of the notice period. We accept no responsibility for any belongings you leave behind and will dispose of them (without telling you) and charge you the cost of disposal.

**If you would like to rent a garage, please complete the application form attached.**

## Parking

Most estates have a limited number of parking spaces, so when you are parking your vehicle, please be considerate of others.

- Do not block footpaths, roads or access for emergency vehicles
- Do not put other people at risk by carelessly or dangerously parking your vehicle
- Do not park boats, trailers, caravans or other large vehicles on: lawns; shared garage forecourts; pathways or within the boundary of your property

All vehicles must be taxed and in a roadworthy condition. Please report any abandoned or untaxed vehicles to our Customer Service Centre.
