

## DECLARATION

I have read and understood the above notes. All the information given by me on this form is true. I understand that if any of this information is false this could result in my garage tenancy being terminated.

I understand that I am responsible for paying the rent in advance each month and there are no reasons why I should not pay the rent. Any repairs to a garage will carry a priority 3 (i.e. up to 19 working days). The Association accepts no responsibility for any property stored in a garage or for any items left in a garage after the termination of the tenancy.

I must inform the Association of any change to my contact address or telephone number within 7 days of any change.

I must not store dangerous materials in the garage.

I will not cause any obstructions to other garage users. I am renting the garage, not the hardstanding in front or the surrounding areas.

**Failure to respond in writing to an offer of a garage tenancy within seven days will result in my application being cancelled**
