

Equality and Diversity-Opportunities for All

Our Commitment

Sentinel Housing Association is committed to treating everyone we come into contact with fairly.

We do not tolerate discrimination against any person on the grounds of race, ethnic origin, age, gender, disability, sexual orientation, marital status, faith, religion or any other matter which may cause a person to be treated with injustice. All our staff receive equality and diversity training.

We work with people across a wide area and in different communities and realise that their needs vary. If we do not meet needs, some people may have difficulty in understanding the information we provide or using our services. We therefore offer these people additional ways to obtain information and use our services.
