CommuniCare

CommuniCare is Sentinel's 24-hour community alarm service, which was established in 1986. By simply pressing a button, customer's link up to our Community Alarm Centre, where staff answer the call and contact someone who can help. The Centre is staffed 24-hours a day, every day of the year. The system identifies the caller even if they are unable to talk.

The service is available to anyone, whatever their need, for example security, peace of mind or for health reasons.

CommuniCare also offers additional services such as contacting customers each day to make sure they are alright, mobile visiting and response service and a key safe facility.

For a price list or more information please ring 0800 195 5515.

Sheltered

Sheltered housing is intended to meet the needs of older people who would like to continue living independently in the community, but would benefit from additional support. Sentinel has 20 schemes in Basingstoke, Fleet and many of the surrounding small towns and villages

Sentinel has groups of self-contained flats or bungalows for rent; some are suitable for people with greater disabilities. Many of the schemes have communal facilities such as a resident's sitting room, laundry and guest facility. Various social activities are arranged for those who want to take part. Some schemes have facilities for people to stay for short periods, for example, while their family or partner are away from home, or after coming out of hospital.

Applications for sheltered housing are welcome from people over 55 years of age, including homeowners and those who live outside the area.

For more information on Sentinel's sheltered housing schemes and short stay suites, please ring 0800 195 5515
