Have fun • Get involved • Win stuff

## Biggest in north Hampshire

Hundreds of young people from across north Hampshire took advantage of this year's Get With activity programme. With recent research by LV insurance showing the average spend per child during the school holidays is £110 per week, we're really pleased that we're able to continue providing these events in this difficult economic climate.

As funding is being cut across the county youth clubs and other youth services are really feeling the pinch.

Get With is able to continue thanks to the partnership between Sentinel, Everest Community College, Hart Neighbourhood Centre and a number of other local agencies.

We've had some great feedback from families and young people alike and look forward to seeing you all again next year.

“ Me and my brother had the best time, it was brilliant. ”

“ Great value for money, keep up the good work. ”

“ My daughter is really enjoying herself making a DVD. I can't wait to see the outcome. ”

# We know what you did this summer

With so many activities packed into this year's programme we only have room to print a few photos. Have a scan through and see if you recognise anyone, or visit [facebook.com/sentinelha](https://www.facebook.com/sentinelha) to see loads more pics.

## Top money saving tip

If you're aged 16 or under why not enter the Teen Spirit spot the difference competition? Check out the pictures below and see if you spot the six differences. Circle or highlight the six differences, fill in the entry form and send it back to us by **Friday 30 December 2011** for your chance to win **£25 of vouchers**.

The winning entry will be drawn by the magazine editorial panel.
